Brand New Book ***** Print on Demand *****.Excerpt from A Study of State Aid to Public Schools in Minnesota The biennial Legislature of Minnesota in April, 1913, created a Public Education Commission to make careful study and investigation of conditions in this state with respect to public education, including the public school system and public educational institutions, and the relation of the educational institutions one to another and to the public school system; to recommend a general plan for the organization and administration of public education and public educational institutions. The general purpose of the Commission shall be to effect economy and efficiency with respect to the several branches of public education in this state. The Governor appointed as members of this Commission: W. D. Willard, cashier, First National Bank, Mankato; W. G. Crosby, attorney, Duluth; J. A. DuBois, physician, Sauk Centre; Marie Lovsnes, county superintendent of schools, Norman County; W. F. Webster, principal of East. High School, Minneapolis; J. A. Hartigan, president Farm Mortgage Bond Company, St. Paul; C. G. Schulz, state superintendent of education. The Commission organized in June by electing W. D. Willard as chairman, and the writer of this study as secretary. The report of the Commission does not include any comprehensive statement of the method or of the data on which its conclusions and recommendations were founded. After the Commission had concluded its work the data compiled were placed on file in the office of the State Superintendent of Education. As stated above, the work of the Commission was to effect economy and efficiency with respect to the several branches of public education in the state. A part of the problem was to determine where economy could be most...
