Long long ago I discovered some amazing facts about the human brain. We all, at some time, experience events that could be considered impossible, miracles, unbelievable or at least defy explanation!- Whatever! The truth is your brain is capable of amazing things but social stigma, ignorance and fear of what one doesn t understand prevent you from realizing your full potential. THINK ABOUT IT! (Also read Amazing Abilities of your Magical Mind): To get the best out of your track: Do not make hard work of it; you do not need to remember what I say in the recordings, or try to get it right , it is fine if you fall asleep and don t remember anything, your super conscious knows what to do! . Simply be in a comfortable spot (a big armchair is best) with no distractions (turn...
