A Guy's Guide to Life: How to Become a Man in 224 Pages or Less is a teenage guy's handbook to becoming a man with a healthy mind, body, and soul. What does society want of teen guys? To be independent, tough, and macho? To be a sensitive, caring metrosexual? To excel in school and sports and business? The challenges are many, and we haven't even mentioned the most important- and most frightening- topic of conversation: girls. The road to manhood is a perilous one. Guys need a guidebook, one that asks and answers the questions they're reluctant to discuss. They need a book that addresses the myths of manhood with a straightforward approach teenage guys will appreciate and absorb. Author Jason Boyett understands what many fail to realize- that somewhere between the awkwardness and braggadocio, the goofiness and the developing body, there is a real person struggling to make his mark on the world.
