

The Fire: Collected Essays of Robin Blaser (Paperback)

Filesize: 1.79 MB

Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

University of California Press, United States, 2006. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book. Spanning four decades of meditation on the avant-garde in poetry, art, and philosophy, the essays collected in The Fire reveal Robin Blaser s strikingly fresh perspective on New American poets, deconstructive philosophies, current events, and the state of humanities now. The essays, gathered in one volume for the first time, include commentaries on Jack Spicer, Charles Olson, Robert Duncan, Mary Butts, George Bowering, Louis Dudek, Christos Dikeakos, and J. S. Bach. Blaser emerged from the Berkeley Renaissance of the 1940s and 1950s having studied under legendary medieval scholar Ernst Kantorowicz and having been a major participant in the burgeoning literary scene. His response to the cultural and political events of his time has been to construct a poetic voice that offers a singular perspective on a shareable world - and to pose that voice alongside others as a source of countermemory and potential agency. Conceived as conversations, these essays brilliantly reflect that ethos as they re-read the cultural events of the past fifty years.
