

Nova Swing (Paperback)

Filesize: 2.45 MB

Reviews

This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Missouri Satterfield DVM)

Random House USA Inc, United States, 2008. Paperback. Book Condition: New. Reprint. 172 x 104 mm. Language: English . Brand New Book. Set in the unique world first featured in the award-winning Light, here is a story of love, murder, and intergalactic noir on the razor s edge of the imagination, as envisioned by the incomparable M. John Harrison. Not far from Moneytown, in a neighborhood of underground clubs, body-modification chop shops, adolescent contract killers, and sexy streetwalking Monas, you ll find the Saudade Event Site: a zone of strange geography, twisted physics, and frightening psychic onslaughts. Vic Serotonin is an illegal travel agent into and out of Saudade. His latest client is a woman as unpredictable as the site itself and maybe as dangerous. She wants a tour inside Saudade just as a troubling new class of biological artifacts have started leaving living algorithms that are transforming the real world in unsettling ways. Pursued by a detective intent on collaring him for his illegal tours, and hunted by a gangster convinced that the travel agent has infected him with a rogue artifact, Vic must make one final trip as the universe around him rapidly veers toward viral chaos.
