Brand New Book ***** Print on Demand *****.My name is Delinda Rodgers, the mother of the little girl, Lacey Rodgers, who will be the subject of this story. I m writing this book, because I feel like the Lord wants me to tell about the marvelous things He was willing to do for our family, during the time that our daughter Lacey, was sick with leukemia, took her chemo, and recovered from the cancer that came into her life, like it does to so many other wonderful children. I feel like God would want me to share this with other families that are, and might be going through what we went through during this very difficult time. I know in my heart, God lead us to this cross for a purpose, and that purpose was to get my husband Greg, and myself, closer to Him, and to teach us to depend on Him, for all things. When God leads us to our cross, and when He leads you to your cross, no matter how big or how small that cross may be, I can assure you, it will be; The Perfect Cross. I do hope you enjoy reading this book as much as I enjoyed writing it.
