

## Alzheimers, Finding the Words: A Communication Guide for Those Who Care

Filesize: 6.83 MB

### ***Reviews***

*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.*

## ALZHEIMERS, FINDING THE WORDS: A COMMUNICATION GUIDE FOR THOSE WHO CARE

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Alzheimers, Finding the Words: A Communication Guide for Those Who Care, Harriet Hodgson, Former president Ronald Reagan's disclosure of his Alzheimer's disease has helped show the country that Alzheimer's is nothing to be ashamed of and getting it is no one's fault. Alzheimer's is a common condition that currently afflicts 4 million Americans and touches another 20 million family members who care for them. From the point of view of someone who's been there, Alzheimer's: Finding the Words shows family members how the disease affects speech -- and how to communicate with a faltering mind. This helpful communication guide also includes a short-term memory questionnaire, the latest research findings, and insightful interviews with physicians, caregivers, family members, and patients.
