Oxford University Press, United Kingdom, 2004. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book. This book is, in my opinion, a real tour de force. In this book, these questions of the dynamics of innovating/learning through practices of knowing, and the management of the interface between transactional and knowledge imperatives, are approached in a cross-disciplinary and empirically grounded manner. The book...
