

## The Postmortal

By Magary, Drew

Penguin Books, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Unnerving. . . . An absorbing picture of dawning apocalypse. . . . A disturbing portrait of a society convinced it's close to utopia when a cure for aging is invented. Unsurprisingly, it doesn't take long for that seeming utopia to dissolve into a planet-overstressed from overpopulation, food and fuel shortages, and general lawlessness-going into systemic failure. . . . The Postmortal is a suitably chilling entry into the "it's-the-end-of-the-world" canon." - The Austin Chronicle "Magary's vision of future technology and science is eerily realistic. . . . By the time you finish, you'll want to hold your loved ones close and stockpile bottles of water. If all else fails, you could potentially make a living selling them a few decades from now." - The New York Press "An exciting page turner. . . . Drew Magary is an excellent writer. This is his first novel but he tells the story masterfully. . . . The most frightening thing about The Postmortal is that this could really happen-it's not a supernatural story, but it's even more terrifying than zombie apocalypse." -Mark Frauenfelder, BoingBoing...
