Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

A SUNLESS SEA (PAPERBACK)

Ballantine Books, United States, 2013. Paperback. Book Condition: New. Reprint. 200 x 132 mm. Language: English . Brand New Book. Anne Perry's spellbinding Victorian mysteries, especially those featuring William Monk, have enthralled readers for a generation. The Plain Dealer calls Monk a marvelously dark, brooding creation and, true to form, this new Perry masterpiece is as deceptively deep and twisty as the Thames. As commander of the River Police, Monk is accustomed to violent death, but the mutilated female body found on Limehouse Pier one chilly December morning moves him with horror and pity. The victim's name is Zenia Gadney. Her waterfront neighbors can tell him little only that the same unknown gentleman had visited her once a month for many years. She must be a prostitute, but described as quiet and kempt she doesn't appear to be a fallen woman. What sinister secrets could have made poor Zenia worth killing? And why does the government keep interfering in Monk's investigation? While the public cries out for blood, Monk, his spirited wife, Hester, and their brilliant barrister friend, Oliver Rathbone, search for answers. From dank waterfront alleys to London's fabulously wealthy West End, the three trail an ice-blooded murderer toward the unbelievable, possibly unprovable truth and ultimately engage their adversaries in an electric courtroom duel. But unless they can work a miracle, a monumental evil will go unpunished and an innocent person will hang. Anne Perry has never worn her literary colors with greater distinction than in *A Sunless Sea*, a heart-pounding novel of intrigue and suspense in which Monk is driven to make the hardest decision of his life. Includes a preview of Anne Perry's next William Monk novel, *Blind Justice*. Praise for *A Sunless Sea* Anne Perry's Victorian mysteries are marvels....
