## Hef's Little Black Book

By Hugh M. Hefner, Bill Zehme

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Hef's Little Black Book, Hugh M. Hefner, Bill Zehme, Five decades ago, Hugh Marston Hefner created "Playboy magazine", helping to ignite America's sexual revolution, and reinventing himself in the process-evolving from a struggling Chicago cartoonist with epic fantasies into "Mr. Playboy", the greatest living symbol of hedonism. Throughout the years, Hef created a world for himself that most men have yearned to inhabit, if only briefly, just to know what it's like to be him. In this sophisticated, retro-style volume, Hef offers a treasury of advice and maxims that teem with his often wry and heartfelt wisdom, accompanied with never-before-seen photographs and illustrations from his vast private archive. Here is advice on: love and ladies; sex and work; family and dreams; play and parties; ambition and friendship; games and competition; failure and hurt; success and endurance, and much more. A sexy survival guide for the would-be pajama-clad, sexually free mogul, "Hef's Little Black Book" is the ultimate accessory for every man who has ever dreamed big, voluptuous dreams - and the woman who wants to understand him in every way.
