Svrcek, MA, discovered that both her son and her husband were suffering from various food allergies and intolerances, it was a major adjustment for the entire family. Above all, she wished for a practical and positive handbook that would explain all the ins and outs of this difficult transition to a healthy and allergy-free diet. When she couldnt find one, however, she promised that when she made it through, she would write that very book herself. The result? Welcome to the World of Food Allergies and Intolerances, a parent-to-parent guide that takes a candid, humorous, and hopeful look at the issues food allergies can create for a family; Svrcek shares the very best ways she has found to overcome them. Among the helpful information in the book, youll find meal ideas and resources for recipes, advice on where to shop and how to shop there, and everything you need to know for planning parties, ordering at restaurants, and planning vacation meals. In a society of sports drinks, fast food,...
