Mehring Books, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Originally published in Russian in 1981, this unique history of early Soviet philosophy is now available for the first time in English, translated by Frederick Choate. Prior to the opening of the archives in the late 1980s and early 1990s, Yakhot presents the largely unknown history of many of the Marxist philosophers victimized by Stalinism. The subjects covered in the book include: the subject matter of Marxist philosophy; the problem of contingency; the principle of partisanship...
