Essays on the Political Economy of Rural Africa

By Robert H. Bates

University of California Press. Paperback. Book Condition: New. Paperback. 178 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The essays in this volume represent a dialogue between theory and data. The theory is drawn from a branch of contemporary political economy which can also be labeled the collective-choice school. The data are drawn from Africa. The book extends the methods of reasoning developed in collective choice from their original base-the advanced industrial democracies-to new territory; the literature on rural Africa. Such as extension challenges the power of this form of political economy. It also enriches it, for the central questions which motivate the contemporary study of political economy are often addressed with unique clarity in the scholarship on rural Africa. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
