Aventine Press, United States, 2004. Paperback. Book Condition: New. 2nd. 214 x 140 mm. Language: English . Brand New Book. Comeuppance is the first book in a series of four by the author. In this first novel, St. Paul - Tri - County homicide detective Morten Hopkins and his partner Danny Hicks investigate the death of a young woman who is found brutally stabbed and frozen in the trunk of her car. The bad-luck boy caught driving the stolen car gets the blame. Mort suspects differently. He feels the husband, a nineties - sensitive kind of guy is the killer and sets out to prove it. During the course of this investigation, a young woman from White Bear Lake asks for his help after hearing the old couple next door arguing. It seems the old man had murdered and buried two young girls in a gravel pit nearly twenty-five years ago. This sweeps Mort into another mystery. He is skeptical at first, but soon he and Danny are hot on the very cold trail that old Orville has left them. Tired of reading about super cops in the Big Apple? The author invites you to experience the seamier side of Minnesota. Nice.
