Createspace, United States, 2015. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Lior Izik and I live in Toronto, Canada. I have managed multiple IT companies in the fields of programming, design, and marketing. I have experience in web development, apps, security, sysadmin, databases, project management, call centers, QA, and much more. I have been working with offshore resources for over 15 years. Thousands of projects have taken me to many different countries, including India, China, Pakistan, and Bangladesh. I ve moved millions of dollars from my bank account paying offshore developers, and worked in areas that most people have never heard of. In total, I have worked on over 1000 projects with over 800 different resources. Some of these projects were successes, and others were disasters. Some finished on time, and some are still waiting to be launched today. There were many times where I told myself: This is the last time I am ever working with offshore resources - it will never work! I had many resources stop talking to me for days, keeping me up at night wondering what was going on with my project. During those 15 years, I tried everything I could think of to attract quality offshore resources. I built my own development centers in Ukraine, India and Bangladesh, paid bonuses, gave penalties, and worked with every online hiring platform that was available. I really have tried it all. This course will summarize my 15 years of experience working with offshore teams and freelance individuals. Companies in North America and Europe are currently looking for offshore resources with the knowledge and skills outlined in this course. The more you fit the profile, the easier it will be for you to be...
