

Australia's Birthstain: the Startling Legacy of the Convict Era: The Startling Legacy of the Convict Era (Paperback)

Filesize: 1.88 MB

Reviews

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

ReadHowYouWant.com Ltd, Canada, 2011. Paperback. Book Condition: New. [Large Print]. 252 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Why is it that Australians are still misled by myths about their convict heritage? Why are so many family historians surprised to find a convict ancestor in their family trees? Why did an entire society collude to cover up its past? Babette Smith traces the stories of hundreds of convicts over the 80 years of convict transportation to Australia. Putting a human face on the convicts experience, she paints a rich picture of their crimes in Britain and their lives in the colonies. We know about Port Arthur, Norfolk Island, chaingangs and floggings, but this was far from the experience of most. In fact, most convicts became good citizens and the backbone of the new nation. So why did we need to hide them away? Australia s Birthstain rewrites the story of Australia s convict foundations, revealing the involvement of British politicians and clergy in creating a birthstain that reached far beyond convict crimes. Its startling conclusion offers a fresh perspective on our past. Babette Smith s arguments will be hotly debated, but there is no doubting the fascination or drama of this study of the stain we pretend is not there. - Thomas Keneally, Booker prize winning novelist and author of The Commonwealth of Thieves Smith shows how the shame about Australia s convict origins .continues to influence the way we view our history .an important book. - David Day in The Age.
