Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

University Press of America, United States, 2012. Paperback. Book Condition: New. 222 x 150 mm. Language: English . Brand New Book. This volume contains two closely related studies: Echoes of the Shema and Our Father s Footprints. The term Shema is derived from the initial word to hear in the Old Testament: Hear O Israel: The Lord our God, the Lord is one (Deut. 6:4). Hence, God is deserving of ardent adoration and unqualified commitment. Morris A. Inch discusses God as Spirit, Light, and Love and also touches on divine holiness, grace, and compassion. The second study picks up with Jesus allusion to God as our Father (Matt. 6:9). While this reference is primarily related to his authority, Jesus pointedly ties in his benevolent character. In this regard, he exclaims: If you, then, though you are evil, know how to give good gifts to your children, how much more will your Father give good gifts to those who ask him! (Matt. 7:11). This quotation invites us to reflect on such associated themes as God s faithfulness, generosity, resolve, forgiveness, and creativity. Echoes of the Shema and Our Father s Footprints will be a useful text for those interested in exploring the inviting realm of biblical theology.
