Duns review Volume 12

By R. G. Dun & Company

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Dimensions: 9.7in. x 7.4in. x 0.2in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1908 Excerpt: . . . At that time Great Britain possessed 1,000 steamers. It is interesting to note that the early forebodings of those who claimed that steam navigation was impossible and contrary to Providence had the result of preventing any passengers from trying the ocean voyage on the Savannah, which left port entirely empty, notwithstanding its beautifully appointed cabins. This vessel took its wheels on deck and during the greater part of the trip made use of sails only, so that it can hardly be numbered among ocean steamers. By the time that the Sirius and the Great Western made their memorable race across the Atlantic this early timidity of steam navigation had disappeared and the greatest expectations were set on the future of trans-Atlantic shipping, although the most daring dreamer failed to imagine what has actually been accomplished in the sixty years that have since elapsed. After these...

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

-- **Wilbert Connolly**

The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.
