Bootstrap Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.California, Arizona, New Mexico and Texas seceded from the Obama Union because of the following: Wide open borders, Illegal aliens, high unemployment, Obama Care, Federal and State Mandates, four star stooges, failed foreign policies, massive tax increases, Trillions in debt, scrapping the Constitution, cherry-picking laws for political gain, corruption in high places, government increasing giveaways to the millions of bottom feeders and non-working Americans, along with the continuous and never ending lies by the Obama administration to the American public. The total disregard for the Rule of Law by the Attorney General and other left-wing judges within the Democratic Administration is unprecedented. Voter fraud, no prosecution for certain religions and races is steering this nation towards a revolution that will destroy this once great nation of fair minded law abiding citizens. Unless America wakes up and returns this country to the Rule of Law for all its citizens and replaces our Federal courts with common sense judges who understand the Bill of Rights and specifically the Second and Fourth Amendments. If the United States does not change from a socialistic style of government, this country will eventually fade into history the same way the great Roman Empire did. What s next for America: Anarchy-Armageddon or Civil War.
