Prepare to meet the challenges of today's diverse classrooms-and discover the opportunities for professional growth and advancement they provide-with this widely popular, market-leading text. In an accessible, conversational style, this book shows new and future teachers how to apply success-proven, research-based teaching practices that are up to date, practical and realistic for use in today's diverse classrooms. The material and teaching practices presented are supplemented with examples from classroom videos, written classroom dialogues, and case studies, many taken from years of research and observation of effective teaching practices in actual classrooms. Readers see clearly how to engage students in the learning process, manage the classroom effectively, and increase student achievement. The new edition of Borich's Effective...

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
