Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

BUZZING!

Hardback. Book Condition: New. Not Signed; This book is a potpourri of brilliant close-up colour photographs and fascinating information about the small yet amazing animals, especially bees, butterflies and other minibeasts, that we find in our gardens - all accompanied by wonderful poems about the creatures themselves. Anyone from the age of five upwards will be enchanted by Anneliese's extraordinary insights and talent in bringing to life the world of the myriad tiny creatures that crawl and fly about us. Also, they will enjoy her sense of fun and wit, as revealed in her remarkable verse. Written for all young nature lovers, the book encourages readers to appreciate the natural world around them and help protect it. book.
