Oh, this is a fad of rich people, who want to show off. Serious gardeners did not bother much about expensive greenhouses at that time. Possibly they had reason because we were living in a climate where one did not need a greenhouse in order to grow everything we wished growing in our garden. We had plenty of sunshine, air, and rich organic soil. We did not have harsh winds and snowy winters. We did not need to pamper our plans so much, praying that they would survive in inclement weather. When I grew up and began to look at the gardens in other climates and in different corners of the earth, I began to understand and estimate the quality and value of a good greenhouse. So for all those people who are still under the impression that greenhouses are expensive to make and maintain, well, the answer is no! You just need to have some space...
