## SATAN FINDS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Satan Finds It is one thing to leave for India with a host of friends and relatives to see you off at the docks with God speed and farewell called across the widening gap as the vessel moves out, and another to return after five years to an estranged England; for five years make a vast difference in these days to people and places. Familiar spots revisited after a long absence, have an aloof aspect; relations have died or migrated; friends have fallen away, and your place is so well filled, that you have the feeling of a visitor - a bird of passage - the uprooted sense; and find you are almost an alien in your own land. The girls you once flirted with, are married; some are walking behind perambulators. They are pleased to meet you again, but the old footing is lost. In fact, you have lost touch completely. Even the kiddies you had ragged in their leggy youth, wearing the shortest of short skirts on their naked limbs, are beginning to annex admirers and steep their souls in dancing and the great game of sex. You find you are speaking a different language to theirs and that it is an effort to claim their attention, while their eternal reference among themselves to this and that of which you are in ignorance - to people by their Christian names of whom you know nothing - gets on your nerves till you wonder why you came home at all.
