Kodaly in the Second Grade Classroom: Developing the Creative Brain in the 21st Century (Paperback)

By Micheal Houlahan, Philip Tacka

Oxford University Press, United Kingdom, 2015. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. Since the mid-twentieth century, Zoltan Kodaly s child-developmental philosophy for teaching music has had significant positive impact on music education around the world, and is now at the core of music teaching in the United States and other English speaking countries. The Kodaly Today handbook series is the first comprehensive system to update and apply the Kodaly concepts to teaching music in elementary school classrooms. Kodaly in the Second Grade Classroom provides teachers with a step-by-step road map for developing children s performance, creative movement, and literacy skills in an organic and thoughtful manner. Through six years of field-testing with music kindergarten teachers in the United States, Great Britain, and Hungary (the home country of Zoltan Kodaly), authors Micheal Houlahan and Philip Tacka have developed a methodology specifically for 21st century classrooms. Houlahan and Tacka use the latest research findings in cognition and perception to create a system not only appropriate for the developmental stages of second grade students but also one which integrates vertically between elementary music classes. The methods outlined in this volume encourage greater musical ability and...

Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).
-- Tevin McClure

The very best publication i at any time read through. I actually have go through and i am confident that i am going to planning to read through once more once more down the road. I found out this ebook from my i and dad advised this publication to learn.
